Dear Anton Booyse

**Letter of Appreciation from QCTO for MIS donation**

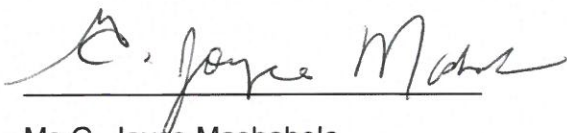

On behalf of the QCTO I would like to thank you for the generous offer you have made to donate and customise an MIS system to help us automate our processes from Learner Registration to Certification.

We acknowledge the immense effort that you have put into developing the system and have no doubt it will boost our impact as an organisation and contribute to a better skills development landscape for all stakeholders in South Africa.

We are currently finalising the SLA and it should be ready for you to have a look at on Friday 16 September 2016.

Thanking you once again.

Kind regards

Ms G. Joyce Mashabela
