Dear Mr. Booysse

Development and implementation of the ESETA M I S

The Energy Seta wish to compliment you on the excellent and professional service you have rendered with the development and implementation of a really effective and professional Management Information System.

Your initial presentations impressed Management, Exco and Board Members, and now after implementation, the system is proof of the highest quality with information available at our finger tips.

As the staff gets to know the system, all systems at the Energy Seta is improving beyond comparison.

We want to commend you, not only on your product, but also on the manner in which you serve us as your client. You are always available and nothing is too small for you to attend to.

Your passion when it comes to an MIS system is incredible. Our green indicator status on both compliance and performance on the NLRD is only but one sign of your commitment and professionalism

Kind Regards

Johjan F Swanepoel
