To whom it may concern,

Dear Sir/Madam

REFERENCE LETTER FOR REMOTENET

This letter serves to confirm that RemoteNet has been actively involved in serving the BANKSETA with the development, enhancement and maintenance of our Management Information System (MIS) for the past three years.

Programme/projects RemoteNet had to develop for the BANKSETA included the following:

- Workplace Skills Planning;
- Quality Assurance;
- Learning Programmes;
- Ensuring that MIS (management information system) is in line with SETMIS and QCTO requirements.

As the Acting CEO of the BANKSETA, I have no reservations in recommending RemoteNet to a prospective client. They have lived up to the BANKSETA's expectations as well as ensuring that a quality product was achieved according to agreed specifications.

Yours faithfully,

CAROLINE KING MS.
ACTING CHIEF EXECUTIVE OFFICER
